

A unique luncheon for members and family of the American Embassy in Moscow

RUSSIA TODAY. IT'S **NOT** WHAT YOU THINK.

FAST FOOD.

SHOPPING.

LOCAL ADVERTISING.

MOSCOW FISHING.

Take a walk through everyday life into today's Russia with best-selling American author, M.G. Crisci, whose landmark new book, *Seven Days in Russia* has been called a "landmark new book for every one Washington who wants to understand and work with the new Russian Federation." His remarks include never-before seen full color pictures and entertaining videos that provide insights that are sure to amaze and surprise. An American by birth, M.G. has spoken at the United Nations Book Club, the Russian Cultural Centre in Washington D.C., and Rossiyskaya Gazeta in Moscow, among venues.
