

*Experience You Want, Answers You Need<sup>SM</sup> Since 1993*

April 2014

Matt Crisci has a great way of capturing the audience's attention while sharing his journey into the lives of the people about whom he has written. We had an outstanding turnout of clients and prospects who wanted to explore the mind of this talented author, and he generated lots of interactive questions and answers. We had great feedback from everyone that attended, and we can't wait to have him back with his next book release.

A handwritten signature in black ink, appearing to read 'James S. Lineweaver', is written over a large, faint, light-colored watermark of the number '1' in the background.
